Subject: activists

a/ the workplace health and safety and biosecurity and potential impacts of activist activity on Victorian farms, to Victoria; s economy and international reputation
b/ the civil or criminal liability of individuals and organisations who promote or organize participation in unauthorized animal activism activities
c/ provide recommendation on how the Victorian Government and industry could improve protection for farmers' privacy, businesses, and the integrity of our biosecurity system and animal welfare outcomes whether through law reform or other measures.

d/ The activists would not like farmers to get together and do to their homes and yards, what they are doing to farmers.

Some farmers have suffered so much stress because they have left their farms and their livelihood thanks to these activists.

DO THESE ACTIVISTS WANT NO FARMERS ; AND HOW WILL THE WORLD GET ON?
