Dear Madams and Sirs,

Please, please do everything in your power to investigate and put an end to animal cruelty as occurs on unthinkable scales of cruelty and extent.

Please do everything in your power to penalise fully those people who put their profits ahead of animal welfare.

Please do everything in your power to support farmers into kind animal husbandry practices.

Please do everything in your power to protect those people who are brave enough to put themselves in difficult circumstances that may have lifetime repercussions for them - to protect animals and to expose people for whom the vilest animal cruelty does not matter.

Yours sincerely,

D Rosalie Triolo
