Inquiry Name: Inquiry into the Impact of Animal Rights Activism on Victorian Agriculture

[REDACTED]

[REDACTED]

SUBMISSION CONTENT:

--

I don't think this is fair. If we get treated nicely, why can't animals get treated the same way? They are living beings after all. I don't think any human would like to be treated so terribly. It just isn't fair. People should know by now that it is cruel its not the right thing to do. How do they deserve to be treated that way? They didn't do anything wrong.
