Inquiry Name: Inquiry into the Impact of Animal Rights Activism on Victorian Agriculture

Mark Baitis

**SUBMISSION CONTENT:**

--

We need those who are willing and able to speak up on behalf of the voiceless (Farm animals, Domestic animals, Wild Animals) freedom to do so without they themselves fearing/facing prosecution, or for their personal safety.

Because illegal & cruel practices do happen, are happening. Below a most recent example:

(Recent discovery of an illegal slaughterhouse operating in Koo Wee Rup, Victoria.)
