I, Vanessa Lodispoto, come before this commetee to ask for open, transparent practices regarding businesses that involve animals.

As a civilian I have the right to know the procedures that are involved in my life. As the final products are being consumed by us, the people, we have the right to know.

We want transparency.

We want animals to be handled compassionately.

We want whistleblowers to be protected and respected as they are risking their lives and their freedom to do what is right.

I appeal to your sense of justice to create ways to protect this heroes.

Thank you!
