Dear Sir/Madam

We need to do more regarding animal welfare.

Surely there are those of you in Parliament that have compassion toward the treatment of animals. Thanks to all those rescuers who have highlighted this horrific treatment of vulnerable animals and may they continue to do so until the government takes a stand against those who are involved and knowingly participate in this dreadful treatment of animals. We need tighter laws to make these people accountable to stop this abuse.

Yours faithfully  
Christine Hargreaves
