Hi Patrick,

Thanks for collecting our inquiries to the Government. My company is a tour operator providing various travell services for international tourists,especially from Asian countries.At the moment we are really facing serious situations due to the Covid19 Pandemic as below:

- NO Jobs because of No travellers from overseas
 - No Jobs means No income
 - No more Jobkeeper payments make me losing my work and job
- so I truely hope :
- Open border as soon as possible
 - Recieve some kind of new work from Government such as community transport or government transport services
 - Restart the Jobkeeper program only for some hardly impacted industries including tourism

That's all what I want to express.

Please feel free to contact me if any questions 

Best Regards
