

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Jennifer De Gabriele

SUBMISSION CONTENT:

--

I think it would make Melbourne a more inviting city not just for students but for all visitors to extend the free tram zone to include spaces around the city edge. Incorporating universities in this zone will ensure that students will not have an added expense as a challenge to their university pursuit. Being a student is well known to be a time when young people are living on a very low income, and every bit helps.
