

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Mr Callum Costello

Trams are already expensive even with the concession charge. Many students travel from outside the city on multiple trains or trams. If they came in on the tram they then have to pay for both. Amounting to at least \$270 dollars just to attend university for a single semester. Students struggle for money already, particularly when they support themselves, this would go some way to helping that.
