I support the extension of the Free Tram Zone to the University's Parkville and Southbank campuses, expanding Melbourne's Free Tram Zone, to include routes surrounding UoM - Swanston Street to Elgin Street, and Royal Parade to College Crescent in Carlton, and St Kilda Road to Commercial Road in Prahran. The Free Tram Zone should be extended, and public transport should be free for our students. Many of our students rely on public transport to get to classes and home and to their part-time jobs or childcare facilities and schools. Free trams would reduce the need to drive to the campus, improving sustainability and heavily-used trams would also make for safer commuting.
