The Free Tram Zone has been a great initiative to get people to stop driving in the CBD, and to allow people who cannot afford to access public transport the opportunity to move across the city. I would love to see the initiative expanded even further to other busy parts of the city to relieve vehicle congestion and to assist the disadvantaged and university students who may not be able to afford the current cost of public transport. I would like to see the free zone to include routes surrounding UoM - Swanston Street to Elgin Street, and Royal Parade to College Crescent in Carlton, and St Kilda Road to Commercial Road in Prahran.
