

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

I highly recommend and back the suggested expansion of the Free Tram Zone to include Royal Parade to College Crescent, Carlton. This thoroughfare is a key link for not just many students attending University and school in the area, but the vital healthcare professionals (Doctors, Nurses, Researchers etc) in the Parkville precincts hospitals and associated Institutes. Expanding the Free Tram Zone to encompass this area will be a major benefit to those working and studying here. Futhermore, it will draw more individuals beyond the Queen Vic Markets to explore this wonderful area on the Northern edge of the City, providing a boon to local businesses.
