

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Mr Brian Fleming

**SUBMISSION CONTENT:**

Melbourne needs to expand beyond the overcrowded CBD and extend out.  
Extending to the University Melbourne Royal Melbourne Hospital and Royal Children's Hospital will help those who need to save some money.  
Going towards Lygon will link Melbourne's culture and amazing diner for tourists to Melbourne.  
Going East to MCG will link Melbourne's tremendous sporting facilities  
Extend south towards Shrine so more Melbourne people can visit and use the gardens.  
Creating better hubs for trains and trams will reduce the traffic congestion and pollution in Melbourne CBD and create a more cosmopolitan and free Melbourne city center.
