**SUBMISSION CONTENT:**

--

I believe the tram zone should be extended to include the Arts precinct, Melbourne Uni, RMIT, the Exhibition building and Museum along with the Convention Centre. As these are all places for locals and tourists alike that can be confusing when using our free tram zone network.

I also believe that students and seniors should have free transport - including tertiary students, perhaps also people who are job seekers to assist when finances are tight getting to appointments, education and employment.
