

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

I strongly support extending the free tram zone into the University of Melbourne precinct, on both Elizabeth St/Royal Parade and Swanston Street. A majority of students and staff will still use their MYKI card to click on if they are coming in from the suburbs in the morning or evening. However, this would enable students/staff to take short trips from Uni into town - for lunch or to do a quick shop - without having to pay what can often be quite a high fee for only a couple of stops. Particularly considering how much student accomodation is now being located inside the existing tram free zone, it is frustrating for students to pay for a ticket just to travel a couple of stops from home to Uni.
