Dear Committee,

I write to you today to encourage the "Inquiry into Expanding Melbourne's Free Tram Zone" to expand the Free Tram Zone in Melbourne.

As a student and staff member of the University of Melbourne based at the Southbank campus who often commutes to collaborate at our Parkville campus, the proposed expansion would significantly reduce the financial burden of using the tram network between the campuses.

Moreover, I feel that my self and others would be more inclined to use PTV as an alternative to other low-cost but less environmentally conscious means should the Free Tram Zone become more inclusive in this regard.

Thank you for your consideration of this submission.
