**SUBMISSION CONTENT:**

--

The free tram zone should be extended to the University of Melbourne Parkville and Southbank campuses, along with the other areas suggested, as it is a minor adjustment to the existing free-tram zone, and will increase the access to tertiary education to students who live on a tight budget. The bare minimum cost of living is not covered by Austudy/student welfare payments so extra costs like the necessary PT ride to campus are an added burden to already impoverished students.
