

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Robert Walton

Extending the free tram zone to Carlton (University stop) to Arts Centre and East to Gertrude St/Royal Exhibition building/Melbourne Museum would:

Aid CBD workers move between sites and business areas of the city more easelfully;

Prevent great confusion in tourists who often get confused that the arts centre and NGV, university and Melbourne museum are beyond the free tram zone;

Aid RMIT and University of Melbourne students whose stops currently exist outside of the free tram zone (This also extends south to VCA and Southbank campus).
