As I am involved in a tourism business, it would be ideal for all our English and European guests to get on a free tram and explore our city of Melbourne.

To be able to just direct them to the corner of Punt and Swan street and they can hop on and not be concerned about having a Myki card.

The excitement to get on one of our beautiful trams and experience the travel to the city. I could not imagine anything more interesting as going past all the sights on the way to the City of Melbourne.

Trams are such a unique part of our culture and such fun.
