

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

As a staff member of the University of Melbourne, I encourage the expansion of the free tram zone to include areas from the CBD up to and including the University of Melbourne. I train in to work and purchase a four weekly myki pass, so this expansion will not financially benefit me personally. It will however benefit the numerous students, visitors and staff to campus who are currently being charged for the short tram ride from the CBD up to the Parkville campus.
