

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Mr Alexander Rogers

SUBMISSION CONTENT:

--

I support the motion that Melbourne's free tram service be expanded to encompass the suburb of North Melbourne. With two children at University High School, who are required to travel to our home in the city, it would be of immense benefit to us and our friends in a similar situation. Additionally it would increase the likelihood of families taking up residence in urban Melbourne.
