

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

Please do not extend the free tram zone. As a regular commuter on several tram routes (58, 86, 109), the free tram zone has wreaked havoc with the ability of paying commuters to even get on board trams at peak times and lunch times. I would far prefer to see tram routes extended further into the middle suburbs (e.g., extend the 58 tram to Pascoe Vale up Turner Street and Derby Street).

If the issue relates to movement of tourists and visitors, produce. Workable visitor myki card that ties in with other tourist attractions rather than use the blunt instrument of a free tram zone.
