

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

I'm a student at RMIT Bundoora, it takes me 1 hour and 40 minutes to get there by train and tram, and I travel between zone 1 and 2. It costs a lot of money considering I travel there and back as a full time student. And my course is a 5 year double degree course. Which means I would have more classes to go to than your usual single degree course students.

I would be so appreciative if the fees were free as I am a full time student. This would definitely help with the financial situations of many students. It's already bad enough that most of us are in debt because of course fees.
