

Inquiry Name: Inquiry into Expanding Melbourne's Free Tram Zone

To promote public transport and cleaner transport options in Melbourne, and the safe and responsible flow of foot traffic, please extend the free tram zone to those outlined in this submission. It is ridiculously expensive to pay \$4.80 to cover a few trams stops because the free tram zone is so small. The 40km/hr travel zones of the CBD extend further. We need more and efficient, user-friendly public transport and bicycles with less cars on our roads.
