

Inquiry Name: Inquiry into the Increase in Victoria's Road Toll

Mrs Ruth Leonard

[REDACTED]

[REDACTED]

SUBMISSION CONTENT:

--

Many young people especially young men seem to me to be in fatal crashes in the country well after midnight. Whether this is correct I am not sure as I don't have the figures but it often appears on the news. Are drugs, alcohol, speed, tiredness or suicide involved? And if this is the case what can be done about it?
