

PARLIAMENT OF VICTORIA
Economy and Infrastructure Committee

MEDIA RELEASE

Commercial passenger vehicle legislation to be examined

The Legislative Council has asked the Economy and Infrastructure Committee to examine the Commercial Passenger Vehicle Industry Bill 2017.

The Bill aims to implement the first stage of changes to the commercial passenger vehicle industry announced by the Victorian Government on 23 August 2016.

The Bill also seeks to establish the legislative framework needed for implementation of a new \$2 levy on the provision of commercial passenger vehicle services.

The Committee will hold public hearings on the Bill at Parliament House on Tuesday 23 May from 9:00 am to 5:00 pm (Federation Room) and on Wednesday 24 May from 6:30 pm to 9:00 pm (Legislative Council Committee Room).

More information on the inquiry will be on the Committee's [website](#) as it becomes available.
