Subject: Submission to Inquiry into the Road Safety Road Rules 2009 (Overtaking Bicycles) Bill 2015

I support safe passing distance laws for cars and trucks overtaking bicycles, so we can all share the road safely.

When bike riding is safer, more people will leave their cars at home. This will mean better health, less congestion on our roads and less pollution.

I agree with the Committee's decision to look at the examples of Queensland, ACT and Tasmania where safe passing laws have been introduced, or are being trialled, and how to run a public education campaign about the rule change.

When the new mobile phone rules came in, most drivers learned the rule quickly because it was in the news. An education campaign is more effective when it tells drivers a new road rule.

We are all in this together. There is no 'us' and 'them', safe passing distance laws make our roads safer for everyone.
