I AM APPALLED HOW SO MANY HORSES AT THE HORSE SALES ARE NEGLECTED, Sick and should not be for sale same as private sales, Some of the Rspca do not know anything , for example i had a registered cremello filly in the 80's with one person came out saying i neglected her and my gelding unbecomingly to me the feed i left was not given to them or their water filled up, any way this officer tried to tell me my filly was blind no she was born with blues,, so we need people who know about horses like myself that can be at the sales to look at the horses and submit the complaint properly instead of these officers that know what they are doing , and yes i have had horses since i was 10,
