**SUBMISSION CONTENT:**

--

Dear friends,

Greetings. I am concerned that we seem to have one protective law for pets and horses, and another for animals that we use as we like, so often treat cruelly, slaughter and hunt for fun. Many species of sentient, intelligent animals are unprotected by present laws.

I would very much encourage you to move to establish an Independent Office for Animal Welfare, to help bring a new awareness of public concern to these vulnerable and unprotected beings.

Kind regards

Robin Ramsay
