I live in NSW but I am sending 2 links that give an indication of the problems that exist with the RSPCA in this state.

The first link is a book written by Mal Davies, "The Ruth Downey Inquisition" - a FREE E-BOOK. Simply google the title.

The second reference is a web site: careaware.info.

I sincerely hope that the committee will look very thoroughly into the methods of the RSPCA in Victoria and be aware that the popular image of the RSPCA does not reflect the real situation.

Ellen Ash.
