Compensation is still owing to me, I should not be expected to go back to work at my age, I have done my fair share!

Q1:No

Q2:Not applicable

Q3:As self-funded retirees, the changes have been crippling. Our sole source of income has been removed and compensation grossly inadequate as it does not allow for an ongoing income stream. Without a source of income, we have been depleting the compensation money, but once this runs out, what will happen then? I have been forced to apply for welfare!

Q4:The TSC was only looking after the interests of drivers and totally ignored the concerns of licence holders. No thought was given to this category of users despite us voicing our concerns.
