Q1:BSP

Q2:Its a disgrace, there are no rules, no regulations and no standards. Ever new driver is taught how to cheat the operator from their share of the take, cheat the passengers, in any way they can from fraudulent Eftpos Transactions, going the long way to their destination, and even going as far as tampering with the meter. it is absolutely sicking.

Q3:Have lost almost everything I ever worked for in my entire life. Taken away from me , my family and industry participants. It is shameful, appalling, disturbing and scandalous. it will not, can not but has been forced to be tolerated and accepted by industry participants, as we were given no option other then ending ones life. The effect that these changes has taken on my business , is from successful to loser, Impracticable, unfeasible, unworkable and impossible. what did it cost ? My livelihood, my sanity, my stability , my wealth and my prosperity.

Q4:none , there no where to be seen, those that are left are only there to run through the red tape
