

## Air pollution Inquiry

Mr Ross Kingston

### YOUR SUBMISSION

**Submission:**

Its so unfair that you make the people, time stretched and with so much on their plate have to submit submissions for such basic human rights such as clean air.

The solutions are so readliy known

- Ban the sale of fossil fueled vehicles by 2030 (including heavy vehicles)
- Phase out Coal by 2030
- Regulate shipping emissions around ports

Lets get moving people!!!!
