Subject: Submission to Parliamentary Inquiry into Ecosystem Decline in Victoria

Categories: Submissions

Dear Committee Members,

Thank you for the opportunity to make a submission to the Victorian Parliament's Inquiry into ecosystem decline in Victoria.

I'm deeply concerned about the declining health of Victoria's environment.

It is not possible to separate economic concerns from environmental concerns. We can see this fact in the way the pandemic is playing out around the world: it is not possible to separate the consequences of COVID-19 from the economic health of a country.

Unless care is taken with the natural world whatever benefits we think we are getting by sacrificing that world will, sooner or later, erode.

Yours sincerely,
Marek Polgar
