**Subject:** New Submission to Inquiry into Ecosystem Decline in Victoria

**Categories:** Submissions

Inquiry Name: Inquiry into Ecosystem Decline in Victoria

Ms Sheena Moore

**SUBMISSION CONTENT:**

--

Humans are killing our world. It's not enough we kill other humans,we also think we have the right to kill other species too!! What kind of world are we leaving our grandchildren?? Every life counts on this world of ours.Killing an animal because it's in the way or eats what we grow isn't the way.Were'nt these animals here before us? We just can't keep taking land and thinking we have the right!!
