I would like you to know that in the wake of bushfires & ongoing chaos,I see the plight of these kangaroos as more than a Victorian situation, more as a situation concerning all concerned citizens of Australia. What happens in each State reflects our values as Australians.our unique wildlife should be valued and not treated as 'pests'. Save and defend, not, destroy.Worldwide we see so many atrocities toward native wildlife, we must, be better than the mediocre mentality of,the dollar is mightier than the biodiversity we enjoy in Australia.
