YOUR SUBMISSION

Submission:

I have been a resident of Dingley Village for a period of 46 years, My children have grown up here and this Village has been a wonderful place to live.

I feel it would be the greatest loss of a green wedge / I think the only Village in Victoria, in this country and if this is approved to go ahead with something like 800 houses what an absolute detriment it would be to all that reside here, How could a Village like Dingley cope with,

Approx. 1500 cars, 3000 new people 1500 new school children no schools to hold them

No train line only a Bus, no shopping centre only one supermarket one bank.

I could go one for ages but I think you would understand where I am coming from.

This would be a disaster if this application is approved and I would consider it an injustice to all the residents of Dingley Village.

Surley this decision is not for one person to make, it will have a clear disadvantage to the Government if this application is approved.

This is something that keeps me awake at night thinking of the ramification it will have on my life.

Eric.
