I vehemently oppose the construction of so many three storey homes in Dingley Village. We need an aged care facility in Dingley Village and if the golf course must be built on, this would be the best solution, not 3 storey houses jammed in together.

We do not want to lose all the wildlife and the birds as there will be nowhere for them to live if the construction of so many houses go ahead. The residents of Dingley Village have objected to this and we have the backing of our local council. There is no proper infrastructure to support so many houses. Please do not let this go ahead
