I would like to lodge a protest against the proposed development of the Kingswood Golf Course by Australian Super.

The number and size of proposed dwellings is not in keeping with the Terms of Reference (5) ensuring residential zones are delivering the type of housing that communities want; and

The community of Dingley was not consulted and does not want 3 or more level dwellings, and there are none currently in Dingley.

The size of the blocks is not in keeping with the current community expectations and the destruction of all of the trees will effectively shut down the lungs of Dingley which again goes against the Terms of Reference.

(2) environmental sustainability and vegetation protection

The entire proposal fails to meet the Terms of Reference and is not what is required in Dingley Village any such proposal can only be seen as a quick cash grab for Australian Super and a long-term overcrowding nightmare for current and future residents and councils.
