

## **Inquiry into the protections within the Victorian Planning Framework**

Mr Michael Pritchard

**Organisation Name:**  
**Your position or role:**

### **YOUR SUBMISSION**

**Submission:**

Dingley Village is a village & is designed as such. One road in & out with a small, but effective shopping centre. An addition of thousands of extra people & cars will make this place unbearable to live in & commuting a nightmare. We strongly object to this development which would be similar to the eyesore development near the corner of Springvale & Cheltenham Roads & will become the slums of tomorrow.
