Subject: Kingswood Golf Club Development
Date: Saturday, 29 January 2022 12:11:46 AM

I wish to raise my concerns about the proposed development. It is definitely not in keeping with the character of Dingley Village. Presently three storey development is prohibited in the village. The proposal to have rows of three storey units as quite a large part of the development would be completely out of character with the rest of the village. Catherine Lawson [REDACTED]
