Subject: Ban single-use plastic bags

With regard to the Inquiry into the Environment Protection Amendment (Banning Plastic Bags, Packaging and Microbeads) Bill 2016 please let the record state that I wish the government to make a stand to improve our quality of life. I do not ever use plastic bags, always taking my own to the supermarket. I am passionate about doing the best I can for the environment. Could you please stand up and be counted also.

Regards, Jan Dunlop
