Hi Prue
I have just received my rate notice and Moorabool Council are increasing services to compensate for capped rates. These increases are:

- Waste management service Charge Increase 10%
- Compulsory 120L garbage service Increase 4%
- Compulsory Recycle Service increase 8%
- State Landfill levy increase 30%
- CFA residential Charge increase 4%

Obviously struggling to meet increased overheads and inefficiencies.

Regards
Russ Hendry
