The Secretary, Environment & Planning Committee, Parliament House, Spring Street, Melbourne 3002, Con. Secretariat - Keir

Subject - Call for Submissions

Inquiry into Rate Capping Policy

1. The Murrindindi Shire Council currently have the highest effective rate increase 7.8% set for fiscal period 2015/16 to 7.8% (of the 2012)

2. Residents/ratepayers have been subjected to Council's Fresh Polling Surveys (312) since August 2014

Submission of 2 Surveys were (150 + 52) were not published more were demanded for each Survey.
5 I advocate the amalgamation of Murrindindi Shire Council along the lines of the Victorian Catchment Areas.

6 It is my belief that the Council Executive are incompetent & unable to overcome their current financial viability, let alone the impact of the proposed strategy for Rate Capping (to approach inflection %)

7 I authorize the Legislative Council, or Agency to access all of the file material held by Council in my name.

8 I wish to speak to this Submission on the day.

Ends

I remain yours faithfully
