**Subject:** New Submission to Inquiry into Recycling and Waste Management

Inquiry Name: Inquiry into Recycling and Waste Management

Mr Brenton Ford  
[REDACTED]

[REDACTED]

**SUBMISSION CONTENT:**

--

Hi,

The cost of waste management and recycling should not be pushed onto the tax payer, the public or the environment.

Manufacturers should be responsible for the life of their products and the packaging used for their products.

Individuals need to be held accountable for their hedonism.

As an example Person A who doesn't own a TV shouldn't be forced to pay higher rates or taxes because Person B their neighbour buys a new TV every 6 months.

Thank you.
