Subject: New Submission to Inquiry into Recycling and Waste Management

Inquiry Name: Inquiry into Recycling and Waste Management

Mr Daniel Breves Ribeiro
[REDACTED]

SUBMISSION CONTENT:

--

Victoria needs a container deposit scheme to support recycling. Container deposit recycling schemes reduce litter overall and encourage more people to recycle.

I am concerned about Waste to Energy, which could mean that resources that can be recycled or composted are destroyed. Waste to Energy has been shown in other countries to discourage recycling.

I am completely in favour of banning single use plastics.
