

Submission to the Parliamentary Inquiry into Homelessness

This form was made by Council to Homeless Persons to support people who are or have been without a home to have their say in the Parliamentary Inquiry. It represents the personal views and experiences of the person filling it in. [REDACTED]

I have lived without a home or am currently without a home.

I would prefer not to leave my contact details

I give permission for another person to submit this on my behalf

I request that this submission be kept confidential

Name: Alicia Farnugia

What would have ended my homelessness is:

More support for those that don't use drugs: I got told that I needed to be using drugs to get any kind of help :-

I might have avoided homelessness if the Government provided:

Move Support

What would you like to tell the Government about being without a home:

It's scary, cold, depressing, degrading
embarrassing and what makes it
worse is that the government
don't want to know
about us homeless people
