**Name:** Sandra Lucas

**Organisation:**

**Organisation position:**

**In order of priority, please rank the themes you believe are most important for this Inquiry into homelessness to consider:** Public housing, Rough sleeping, Family violence, Indigenous people, Mental health, Services, Housing affordability, Employment

**What best describes your interest in our Inquiry?** Academic & research , Concerned citizen , Working in the health sector

**Are there any additional themes we should consider?**

**Submission:** We need to look internationally and see what is working. I think the most important thing is to have long housing available, that is to build appartments for the needy. Then look at giving services. In Florida they did a great problem like this.

Give then houses and then they will get well.

**Do you have any additional comments or suggestions?** Complex problem that could be better with housinf
