Name: Bethaliah Ambrym.

What would have ended my homelessness is:

- To have safe affordable accommodation
- Better family violence support for aboriginal women.
- Understanding violence, and displacement
- Provide stable accommodation, with supports in place

I might have avoided homelessness if the Government provided:

Better supports, and understand
^{how} ~~why~~ violence, and racism can impact
on aboriginal women.

- Stop and understand stolen generation,
and survival day.

* Good, stable housing.

* Good employment.

What would you like to tell the Government about being without a home:

Trauma, and isolated.

Can't rent if aboriginal in some regions.

Children removed, if homeless.

Relying on drugs and alcohol, to stop
loneliness, ~~and~~.

- Continuous circle of jail and violence.
