Organisation position:

In order of priority, please rank the themes you believe are most important for this Inquiry into homelessness to consider: Public housing, Housing affordability, Services, Mental health, Rough sleeping, Indigenous people, Family violence, Employment

What best describes your interest in our Inquiry? Concerned citizen

Are there any additional themes we should consider? Provision of resources to help people avoid homelessness

Submission: I have not experienced homelessness, but as an older retired person renting in the private rental market it could have very easily happened to me - as is now occurring with many older people. I was extremely fortunate to have avoided that fate.

Do you have any additional comments or suggestions? More public housing & affordable housing, or communal housing initiatives are essential.
